

Albatros - a crocheted scarf

Design: Stine Gudmand-Høyer

This striped scarf is very fast to crochet. The combination of 3 different yarns in different textures gives interest to the simple, soft and warm scarf. The scarf can be worn double around the neck or hang loose and fits perfectly with a winter jacket. The scarf can be used by the entire family – just choose their favorite colors.

1st English edition - September, 2014 © Filcolana A/S

Naturgarn from Filcolana:

80 g of color 238 (Lilla = A)

Peruvian Highland Wool from Filcolana

40 g of color 258 (Light Purple = B)

40 g of color 815 (Lavendelgrå melange = C)

Indiecita from Filcolana
15 g of color 286 (Purpur = D)
Hook 7 mm

Finished measurements

Length x width: approx. 130 cm x 16 cm

Gauge

10 st x 15 rows in pattern using a 7 mm hook = 10 cm x 10 cm. You could choose a tighter gauge if for a man.

Abbreviations

st: stitch(es)

ch: chain

dc: double crochet. Note: All dc are made through the back loop only.

Lock the stitch: Make the loop on the hook long, remove the hook and take the yarn ball through the loop. Now the stitch is locked and won't unravel. Next time you need that color just carry the yarn along the side of the work.

Notes

The scarf is made from the long end using 4 different yarns. Change yarn after each row. Do not break the yarn, but lock the stitch (see abbreviations). Note that the work is only turned after each fourth row.

Scarf

Ch 140 using color A. Lock the stitch.

1. row: Use color B. Do not turn the work, but crochet from the same side as previous row. Join yarn with a sl st. Ch 1, 1 dc in back loop only in each st. Lock the last stitch.

2. row: Use color C. As row 1.

3. row: Use color D. As row 1.

4. row: Turn the work. Change to color A. Crochet as row 1.

Repeat row 1-4 a total of 5 times. Fasten off and weave in ends.
