# Mynte - a scarf ready for spring

Design: Stine Gudmand-Høyer

Mynte is a trangular scarf crocheted in a very soft yarn made from 50% wool and 50 % cotton. This makes a very soft scarf - perfect for those that find pure wool too warm or too scratchy, and means it can used all year round. The scarf is crocheted from one corner into an asymmetrical triangle.

Materials
200 g Merci from Filcolana color 1390 (sart grøn)
Crochet hook 3,5 mm

Finished measurements
Length x height: 175 cm x 60 cm

Gauge
12 rows in pattern = 10 cm.

Abbreviations
ch = chain
dc = double crochet
tr = treble
Decrease: 2dctog (3dctog): *insert hook in next st and pull yarn through*. Repeat from * to * 1 (2) times. Yarn over, pull yarn through all 3 (4) loops on the hook.

Notes
The shawl is crocheted from one corner with increases at one edge. The more rows, the wider the shawl will be and in that way you can easily adjust the size of the scarf to the preferred size.

Construction of the shawl
