

# Mirabilis - a crocheted skirt for girls

Design: Sidsel Sangild

The shape of this little skirt is made by crocheting gradually larger double fans. It gives warmth and is pretty at the same time. Here it has been made using two colors, but the possibilities for color play are endless. Try making all the double fans in one color, but change color for each row of dc. Or let the rounds of dc be in one color and crochet each round of double fans in different colors.

## Foundation

To get a more flexible foundation the foundation double crochet is used instead of the regular chain foundation.

How to make foundation double crochet:

Ch 2.

1. fdc: Insert hook in 2. ch from the hook. Yarn over and pull yarn through st, yarn over and pull yarn through 2 loops on hook.

2. and following fdc: Insert hook under both loops on the side of the previous fdc, yarn over and pull yarn through, yarn over and pull through 1. loop on hook,

yarn over and pull through 2 loops on hook. Foundation double crochet can be replaced by an ordinary chain foundation and a round of dc, but make sure to crochet loosely as it not as flexible as the foundation dc.
