### SPECIAL ABBREVIATIONS

#### **M1R - Right slanted increase, right side**

From the back, lift the horizontal strand between the two stitches with the left needle and knit through the front loop (1 st increase).

#### **M1PL - Left slanted increase as seen on right side**

With the left needle pick up the strand between 2 sts from front to back. Purl through the back loop.

#### **M1L - Left slanted increase, right side**

From the front, lift the horizontal strand between stitches with the left needle and knit through the back loop (1 st increase).

### SPECIAL TECHNIQUES

#### **Backward loop cast on**

Hold your working yarn over your right index finger, bend the index finger towards you. This will create a loop around your finger. Insert the tip of your right-hand needle into the back of the new loop and release it onto the needle.

Repeat this till you have the required number of stitches.

### CHARTS

Please find charts on last pages.

## Workflow

Work the sweater top down and in cable pattern following the charts.

First, knit flat and at the same time work increases on each side of the raglan sts and to shape the rounded neckline.

Then join work at the bottom of the front neckline and continue in the round.

When the yoke is done divide work into body and sleeves and finish each part separately.

Both body and sleeves are worked straight and finished with broad ribbing edges in twisted rib.

Finally, pick up sts along the neckline and work the turtleneck in twisted rib.

# Pattern

## YOKE

With 5.5 mm circular needles and 1 strand of each quality held together cast on 73 sts.  
Work is knitted flat on circular needles.

The 1st row of the charts is from the wrong side, divide work with stitch markers like this:

**1st row (WS) (1st row of charts):** P1 (chart A, right side of front), place marker, p1, k1, p3, k1, p1 (chart B, raglan sts), place marker, k1, p3, k1, p3, k1 (chart C1, right shoulder), place marker, p1, k1, p3, k1, p1 (chart B, raglan sts), place marker, [k1, p3] 6 times, k1 (chart D1, back), place marker, p1, k1, p3, k1, p1 (chart B, raglan sts), place marker, k1, p3, k1, p3, k1 (chart C1, left shoulder), place marker, p1, k1, p3, k1, p1 (chart B, raglan sts), place marker, p1 (chart E, left side of front)

You have 1 st on each front, 9 sts on each shoulder, 25 sts on the back, and 4 x 7 raglan sts = 73 sts.

Now follow the charts. Read charts from right to left on right sides and from left to right on wrong sides.  
Note that raglan increases are indicated in the charts.

**2nd row (RS):** Follow charts in this order; chart E (left front), chart B (raglan), chart C1 (left shoulder), chart B (raglan), chart D1 (back), chart B (raglan), chart C1 (right shoulder), chart B (raglan), chart A (right front).

**3rd row (WS):** Follow chart A (right front), chart B (raglan sts), chart C1 (right shoulder), chart B (raglan sts), chart D1 (back), chart B (raglan sts), chart C1 (left shoulder), chart B (raglan sts), chart E (left front).  
Continue like this until you have worked the 24th row of the chart, this is a right-side row.

Now join work like this:

Do NOT turn work but cast on 15 new sts with backward loop cast on technique, in continuation of the sts on the right front.

Break yarn.

Slip the left front sts, the raglan sts, and the left shoulder sts onto the right tip of the circular needles without knitting them.

Now join round and continue knitting in the round.

The stitch marker between left shoulder and raglan sts is now the start marker.

**1st round (25th round of charts):** Knit according to chart B (raglan), chart D2 (back), chart B (raglan), chart C2 (right shoulder), chart B (raglan), chart D2 (front, which is now described in the same chart as the back), chart B (raglan), chart C2 (left shoulder).

You now have 192 sts on the round, note that the front and the back are now worked after same chart (D2) and the sleeves follow chart C2.

## Only size XS

Continue in the round until you have worked round 52. Slip the raglan markers as described below under 'All sizes' and at the same time work round 53.

## Only sizes S, M, L, XL, 2XL, and 3 XL

Continue in the round until you have worked round 53, now continue work according to charts C3 and D3 to - (60th) 64th (68th) 72nd (76th) 80th round.  
Slip raglan markers as described below under 'All sizes' and at the same time work - (61st) 65th (69th) 73rd (77th) 81st round.

### All sizes

At the same time as you are working the round below also slip the raglan markers 1 st towards each other, like this:

#### 53rd (61st) 65th (69th) 73rd (77th) 81st round:

\* Remove marker, k1, place marker here, p1, k3, p1, slip next st, remove marker, slip st back onto left needle, place marker here, continue according to chart to next marker\*, repeat from \* to \* over entire round.

You now have 5 raglan sts in each sequence (p1, k3, p1). The outer knitted st in each side of the original raglan sequence is now included into the stitch count of the body.

Work is now divided into body and sleeves which are finished according to chart F and G, respectively. Note that each size has its own chart.

### BODY

Work the \*5 raglan sts, the 79 (87) 95 (103) 111 (119) 127 back sts, and the next 5 raglan sts according to chart F (sizes S, L, XL, 2XL, and 3XL: Work the sts in the blue rectangle twice), cast on 3 new sts using the backward loop cast on technique, these 3 new sts are the last 3 sts of chart F\*, slip the 63 (71) 79 (87) 95 (103) 111 sts of the right sleeve onto a stitch holder, place a side marker\*, repeat from \* to \* once more and slip the left sleeve sts onto a stitch holder, knit the last st, and cast on 3 new sts.

You now have 92 (100) 108 (116) 124 (132) 140 sts on the front and the back, respectively.

Continue work and repeat the 24 rounds in chart F on both front and back until work measures 50 (51) 52 (54) 56 (58) 60 cm (measured from the middle of the back). Finish with an even chart round.

**Next round (decrease round):** Knit \*p1, k1, k2tog\*, repeat from \* to \* over entire round = 138 (150) 162 (174) 186 (198) 210 sts.

Change to 4.5 mm needles.

### Rib

Knit twisted rib (k1 tbl, p1) in the round until ribbing edge measures 6 cm.

**Next round:** Slip all sts from left to right needle without knitting them, like this: \*slip 1 st purl-wise tbl, slip 1 st purl-wise\*, repeat from \* to \* over entire round.

Bind off with Italian bind off like this: Measure a tail approx. 3 times the length of the rib circumference. Thread tail onto a tapestry needle. First st should be a knit st.

1. Insert tapestry needle into the first st on left needle as if to purl, pull the yarn through.

2. From behind work insert needle between 1st and 2nd st. Pull needle and yarn to front of work.

3. Insert tapestry needle through the 2nd st, from front and out on the back.

4. Insert tapestry needle from front into the 1st st as if to knit it, slip st off needle.

5. From the front insert tapestry needle - from right to left - into the front leg of the 2nd st (knit st), pull yarn through.

6. Insert tapestry needle into 1st st as if to purl, slip st off needle.

Finish:

7. From the front insert needle, from right to left, into the first bound off st, pull the yarn through.

8. Knit as point 6.

All sts are now bound off. Weave in end, carefully.

### SLEEVES

Slip the 63 (71) 79 (87) 95 (103) 111 sleeve sts back onto the 5.5 mm needles.

Pick up 5 sts in the bottom of the armhole, place a start marker, and join round = 68 (76) 84 (92) 100 (108) 116 sts.

Now knit in the round and work the sleeve sts according to chart G (sizes XL, 2XL, and 3XL: Repeat the sts in the blue rectangle twice).

Repeat the 24 chart rounds until you have worked the chart 3 times in total and work measures approx. 34 cm. Finish with an even chart round.

**Next round (decrease round):** Knit \*k1, k2tog, p1\*, repeat from \* to \* a total of 16 (18) 20 (22) 24 (26) 28 times, finish with a k1, p1, k1, p1 = 52 (58) 64 (70) 76 (82) 88 sts.

Change to 4.5 mm needles.

### Rib

Knit twisted rib (k1 tbl, p1 tbl) until ribbing edge measures 10 cm.

Now slip sts from left to right needle without knitting them. Knit as follows:

**Next round:** \*slip 1 st purl-wise tbl, slip 1 st purl-wise\*, repeat from \* to \* over entire round.

Bind off sts with Italian bind off as on the body.

## TURTLENECK

With 4.5 mm pick up sts along the neckline like this:  
 Starting after the raglan sts and from the right side of the back, pick up 25 sts along the back, 7 sts in the raglan sts, 9 sts along the left sleeve, 7 sts in the raglan sts, 24 sts along the left side of the neck, 17 sts in the bottom of the neckline, 24 sts along the right side of the neck, 7 sts in the raglan sts, 9 sts along the right sleeve, and 7 sts in the raglan sts = 136 sts.  
 Place a start marker and join round.

Knit twisted rib (k1 tbl, p1 tbl) in the round until the turtleneck measures 20 cm.

Now slip the sts from left to right needle without working them. Knit like this:

**Next round:** \*slip 1 st purl-wise tbl, slip 1 st purl-wise\*, repeat from \* to \* over entire round.

Bind off sts with Italian bind off as on the body.

## FINISHING
