English translation: June Thomsen

This sweater is inspired by a fishing trip on the pier in the sunset glow, a trip that the designer's son loves to go on with his grandfather. The sweater is warm and comfy, and great to wear when the wind bites. Knitted in Peruvian, it's perfect for play, outdoor life, and children's life in general. The fine textured pattern with stripes can be knitted in a multitude of colour combinations and is equally nice for girls as for boys.

-  Knit on right side and purl on wrong side with main colour
-  Knit on right side and purl on wrong side with contrast colour
-  When knitting in the round this st is purled with main colour. When knitting flat this st is knit with main colour from the wrong side

Workflow

The sweater is knit bottom up.

First you knit the body with circular needles, then the body is divided into a front and a back piece, which are knit flat separately.

The shoulder seams are then sewn together, and sleeve sts are picked up along the armholes to create sleeves, which are knit top-down.

Finally, sts are picked up along the neckline and the neckline is knit.

Pattern

BODY

Cast on 65 (69) 73 (77) 81 sts with the waste yarn on 4 mm circular needles and knit 2 rows.

Break the waste yarn.

Join main colour to work and purl 1 row.
Don't turn work but join round.

Purl 2 rounds.

Next round: *p1, insert right needle under the lowest bar knit in main colourway 3 rows down (= 1 st row with this) and knit it*. Repeat from * to *, till you have 1 st left, pick up the last st 3 rows below and knit it together with the last st = 128 (136) 144 (152) 160 sts.

Next round: P1, place a marker at beginning of round and continue knitting rib in the round (*k1, p1*) till the ribbing measures 4 (4) 5 (5) 5 cm.

Gently cut off the cast-on string.

Change to 5 mm circular needles and knit textured knitting according to chart, till work measures 21 (25) 27 (30) 32 cm. Finish with an odd round in chart.

Now, the front and back is divided as follows:
The first 64 (68) 72 (76) 80 sts is the front, let the last 64 (68) 72 (76) 80 back sts rest on a stitch holder.

FRONT

Knit back and forth in textured knitting over the 64 (68) 72 (76) 80 front sts, the first and last st is an edge st and is knit on all rows.

Continue like this till entire work measures 30 (35) 37 (40) 43 cm. Finish with a purl row.
Break the contrast colour.

Bind off for neckline as follows:

Next row (right side): Knit 28 (30) 32 (34) 36 sts as textured knitting, bind off the next 8 sts, knit textured knitting over remaining sts.

Here after there are no more stripes. Ommitt those in the chart.

Shoulders are finished separately like this:
Bind off 2 sts towards the neckline on every other row 5 (5) 6 (6) 6 times in total = 18 (20) 20 (22) 24 sts.
Continue straight with textured knitting till work measures 35 (40) 43 (46) 49 cm.
Bind off as sts indicate.

Knit second shoulder accordingly, only mirrored.

BACK

Knit textured knitting flat, as with front piece, till work measures 35 (40) 43 (46) 49 cm.

Adjust the stripes in the textured knitting so they stop at same point on both front and back piece.

Bind off as sts indicate.

SLEEVES

Sew shoulder seams with Kitchener stitch.

Pick up 48 (52) 56 (60) 64 sts along the armhole with main colour and 5 mm needles. Start from bottom and work your way upwards. Make sure to distribute sts evenly on front and back. Place a marker at beginning

of round under arm.

Follow chart (starting with row 9) and knit textured knitting and stripes, till work measures 20 (23) 25 (29) 33 cm from underarm.
Finish with an odd row in chart.

If you finish with the last row in the stripe, knit 1 round with main colour before knitting ribbing.

Change to 4 mm needles. Knit ribbing (* k1, p1 *), till ribbing measures 4 (4) 5 (5) 5 cm.

Bind off with Italian bind off like this:

Measure a tail at least 3 times the length to be bound off. Thread tail onto a tapestry needle.

1. Insert tapestry needle into 1st st (knit st) on left needle as if to purl, pull the yarn through.
 2. From behind work insert needle between 1st and 2nd st. Pull needle and yarn to front of work.
 3. Insert tapestry needle from front into 2nd st (purl st) and out on the back.
 4. Insert tapestry needle into 1st st (knit st) as if to knit, slip st off needle.
 5. From the front insert tapestry needle - from right to left - into the front leg of the 2nd st (knit st), pull yarn through.
 6. Insert tapestry needle into 1st st (purl st) as if to purl, slip st off needle.
- Repeat steps 2-6, till you have 1 purl st left on LH needle. Finish bind off like this:
7. From front insert tapestry needle - from right to left - into the first bound off st, pull yarn through.
 8. Repeat step 6.

Carefully weave in the loose end.

Knit second sleeve accordingly.

NECKLINE

With main colour and 4 mm needles pick up approx. 70 (74) 74 (78) 78 sts along the neckline (approx. 1 st in every st/row). Stitch number should be divisible with 2.

Knit ribbing (* k1, p1 *) over 4 cm.

Bind off with Italian bind off as on the sleeves.

FINISHING

Weave in all loose ends and wash the sweater according to the washing instructions on the label. Lay flat to dry on a towel.
