Workflow

The model is knit bottom up.

The sweater starts with a ribbing edge and the body is knit in stockinette till beginning of armhole, where a gusset is knit in each side and the chart work begins.

Hereafter the gusset sts are left to rest, while the front and the back are finished separately.

The shoulders are knitted together and as a final touch sts for the neckband are picked up.

Sts are picked up for the sleeve, the gusset sts are placed on a needle and work continues in the round with decreases on each side of the gusset.

The sleeve is knitted with centred decreases and finished with a purled ridge and rib edge.

Charts are read from bottom up and from right to left on all rounds.

Knit 1 round but purl the 7 gusset sts in each side.

Break yarn and slip the 7 gusset sts in each side to separate stitch holders, until it's time to knit the sleeves.

BACK

Join yarn to WS of back and work sts flat like this:

1st row (WS): Knit all sts.

2nd row: Purl all sts.

3rd row: Purl all sts.

4th row (RS): Knit 17 (21) 25 (29) sts as the 1st st in chart B, knit 2-68 sts according to chart B, knit 17 (21) 25 (29) sts as the 69th st in chart B.

Repeat the 6 rows in chart B and continue knitting flat, until the armhole measures 20 (21) 22 (23) cm, finish with a wrong side row.

Knit the first 4 rows of chart C. Let the sts rest for now.

FRONT

Join yarn from wrong side of the front 101 (109) 117 (125) sts and work the front as the back, until armhole

measures 16 (17) 18 (19) cm, finish with a wrong side row.

Next row (RS): Follow chart over 39 (42) 45 (48) sts, turn work and finish this side of the front piece separately.

Bind off at armholes on every 2nd needle with 3 sts once, 2 sts once, and 1 st twice = 32 (35) 38 (41) sts.

Continue knitting back and forth until armhole measures 20 (21) 22 (23) cm, finish with a wrong side row.

Work the 11 rows in chart C, the front piece is now longer than the back piece.

Let sts rest on a stitch holder.

Let the middle 23 (25) 27 (29) sts rest on a stitch holder.

Join yarn on the last 39 (42) 45 (48) sts on the right side, and finish this side of the front piece as the first, only mirrored.

Join shoulders together like this:

Place the 32 (35) 38 (41) outer sts of the front piece and the back piece respectively on separate needles. Turn the 2 sides towards each other – right side against right side, hold the needles together in your left hand and knit the sts together, using an additional needle, like this:

Insert RH needle through 1st st on the front needle and 1st st on the needle behind knitwise, knit the 2 sts together, repeat from * to * once more, slip the 1st st on your RH needle over the 2nd st as in normal bind off**. Repeat from * to ** until all sts have been bound off. Break yarn.

NECKBAND

Pick up sts for the neckband in 2 layers like this: With 3.5 mm circular needles pick up 104 (108) 112 (116) sts along the right side of the neckline, begin at right side of the neck and work your way through like this:

Place a small circular needle against the wrong side of work, *insert RH needle into first st, place needle

under the wire, pick up yarn, pull it back through the st and slip st, insert RH needle into next st, place needle **over** the wire, pick up yarn, pull it back through the st and slip st*. Repeat from * to * in both the 'normal' sts and in the sts you pick up along the vertical edges.

Purl 2 rows over the sts on the 'outer' circular needles (the one closest to you). Let the sts rest, but do not break yarn. Turn work, join new yarn, and knit the 104 (108) 112 (116) sts that rest on the 'inner' circular needles on the wrong side of the neckline.

Knit 2 rows. Break yarn.

Turn work to knit from the right side again.

Now work the sts on the 2 circular needles together, those on the wrong side and those on the right side, like this:

Hold the needles parallel in your left hand and knit 1 st from each needle together knitwise.

Continue over all sts.

Then knit rib (k1, p1) until the neckband measures 8 cm. Bind off as sts indicate, not too tight.

SLEEVES

Join yarn on right side and purl the 7 resting sleeves in the armhole, now pick up 2 sts for every 3 rows along the armhole = 96 (100) 104 (108) sts in total.

Next round: p7, knit remaining sts.

Next up are decreases on every 3rd round like this:

Next round: p6, k2tog, knit to last st, sl1 k1 psso (one of the sts are the first of the p6).

Work the next 2 rounds like this: p5, knit remaining sts.

Next round: p4, k2tog, knit to last st, sl1 k1 psso.

Work the next 2 rounds like this: p3, knit remaining sts.

Next round: p2, k2tog, knit to last st, sl1 k1 psso.

Next round: p1, knit remaining sts.

Next round: p1, knit to last 2 sts, cdd (mark this st).

Continue knitting stockinette in the round and make decreases on every 4th round like this:

Knit to 1 st before the marked st, cdd.

Repeat this decrease on every 4th round another 6 (7) 8 (9) times, then on every 6th (6th) 5th (5th) round 13 times (all sizes) = 50 (52) 54 (56) sts.

Continue knitting in the round without decreases until sleeve measures 38 cm (all sizes) or has the desired length.

Purl 2 rounds, knit 1 round.

Change to 3.5 mm dpns and knit 8 cm rib (k1, p1).

Bind off as stitches indicate.

Knit second sleeve.
