Abbreviations

M1: Make 1. Increase one stitch by lifting the chain between sts onto the left needle and knitting it through the back loop.

Short rows

When turning in the middle of a row to create a short row, it is important to do something to avoid the hole at the turning point you would otherwise end up with in your knitting. The most common method is to wrap the working yarn around the next stitch on the needle before turning the work:

Hold the yarn behind the needle, slip the next stitch from left to right hand needle, bring the yarn to the front of the work and slip the stitch back on the left needle. This creates a loop around the next stitch, which will eliminate the hole between the last knit and the first unknit stitch. Now turn the work and continue according to your pattern. When you next get to the stitch where you made the turn, you lift the loop around the stitch onto the needle and knit it together with the stitch itself.

Directions for knitting

The sweater is worked seamlessly from the bottom up. First the body is knit in the round to armholes. Then the sleeves are worked in the same way - through with increases. Then the body and sleeves are joined, the joins are marked and the yoke is worked with raglan decreases. Before working the neck edge ribbing, short rows are worked to shape the shoulders and neck, to ensure a good fit.

Body

Cast on 176 (192) 208 (208) 224 sts using color A and a 2½ mm circular needle. Join in the round and place a marker for the beginning of the round.
Work k2, p2 ribbing for 2,5 (3) 3,5 (3,5) 3,5 cm.
Change to a 3 mm circular needle and continue in stockinette stitch until the work measures 3 (4,5) 5 (4) 5 cm.
Begin working the chart for the size you are knitting. Please note that rows 1 to 48 are worked twice for sizes 10 and 12 years.
The pattern is worked 22 (24) 26 (26) 28 times across the round.

Break all yarns except color B when all rows of the

chart have been worked.

Round 1: Knit with color B to 4 sts before end of round, bind off 4 sts.

Round 2: Bind off 4 sts, knit 80 (88) 96 (96) 104 sts, bind off 8 sts, knit 80 (88) 96 (96) 104 sts.

Break yarn B and let the body rest on the needle.

Sleeves

Cast on 56 (56) 64 (64) 72 sts using color A and 2½ mm double-pointed needles. Join in the round and place a marker for the beginning of the round.
Work k2, p2 ribbing for 3 (3) 4 (4) 4 cm.

Change to 3 mm double-pointed needle and continue in stockinette stitch.

Work the first increase round when the work measures 4 (7) 5 (4) 5 cm: K1, M1, place a marker, knit to

end of round, M1.

Then work the following increase round every 8th round a total of 8 times:
K2, slip marker, M1, work to end of round, M1.
There are now 72 (72) 80 (80) 88 sts on the needle.

AT THE SAME TIME:

Begin working the chart when the sleeve measures 6 (8,5) 8 (6) 8 cm.

Please note that the first 2 sts of every round (the stitches before the marker) are not worked in the charted pattern. Instead these stitches are worked in the same color as the first stitch of the chart for the given round (the first stitch after the marker). New stitches are worked in the charted pattern.

When all rows of the chart have been worked, the sleeve measures approx. 28 (31) 33 (36) 38 cm.

Continue in color B:

Round 1: Knit all sts.

Round 2: Knit to 4 sts before end of round, bind off 4 sts.

Round 3: Bind off the first 4 sts.

Break the yarn, let the sleeve rest and knit a second sleeve the same way as the first.

Join the work

Join sleeves and body on the circular needle:
Knit the 80 (88) 96 (96) 104 sts of the back, place marker, knit the 64 (64) 72 (72) 80 sts of the first sleeve, place marker, knit the 80 (88) 96 (96) 104 sts of the front, place marker, knit the 64 (64) 72 (72) 80 sts of the second sleeve, place marker. This is now the beginning of the round.
There are now 288 (304) 336 (336) 368 sts on the needle.
